**You have been referred to a civilian dentist by your military dental treatment facility (DTF).** Civilian dental care for active duty service members (ADSMs) is covered under the TRICARE Active Duty Dental Program (ADDP). The ADDP benefit is administered by United Concordia® Companies, Inc. (United Concordia). This fact sheet contains important information on how to get dental care under the ADDP.

### APPOINTMENTS

If the DTF made an appointment for you with a United Concordia network dentist, please be sure to take a copy of the referral with you to the appointment.

If you are a CONUS ADSM approved by the DTF to make your own appointment with a United Concordia network dentist and the DTF provided you with a referral form, you may contact a United Concordia network dentist to schedule your appointment.
