

**Emergency Dental Care
for
Academy Cadets and Midshipmen**

Cadets and midshipmen from the academies who are experiencing a dental emergency and cannot be treated at a local military dental treatment facility (DTF) should call United Concordia at **1-800-858-0051** for assistance.

This emergency line is available Sunday, 6:00 pm - Friday, 10:00 pm, Eastern Time. When calling, cadets or midshipmen should self-identify that he or she is an academy student. If the treatment needs are determined to be an emergency, a United Concordia customer service representative will assist with finding an available dentist to treat the emergent dental needs.
